In 2024, the Jewish Foundation of Greater New Haven distributed over \$5 million to charitable organizations, with an impressive 84% directed to local Jewish organizations and synagogues.

This year, we also received \$8.8 million in total donations, including over \$4 million designated for restricted endowment funds supporting local Jewish organizations—one-third of which came from estates. Notably, 20% of the funds donated came from the Estates of Edith and Edward Topp. The Topps are lifelong New Haven residents and dear friends of Jewish Foundation founder Samuel Glazer. Edith and Edward's legacy continues to strengthen our community. Another 30% of donated funds came from a single donor to help Camp Laurelwood grow its endowment, undertake major capital improvements, and establish an endowment match campaign benefiting Camp Laurelwood, UConn Hillel, Connecticut College Zachs Hillel, Solomon Schechter of Greater Hartford, and University of Hartford Zachs Hillel.

Security remains a top priority. In 2024, we awarded \$340,000 in security grants, made in memory of Arthur & Yvette Eder, to 30 local Jewish organizations, including the JCC, Camp Laurelwood, Ezra Academy, Southern Connecticut Hebrew Academy, Camp Gan Israel, and nearly all area synagogues and Chabads. This brings our total security grant awards to date to over \$1.3 million, reinforcing our commitment to a safe and secure Jewish community in Greater New Haven.

Beyond security, our grants continue to support every stage of Jewish life. We allocated \$186,000 to Jewish Family Service and The Towers at Tower Lane to assist Jewish elderly initiatives. On the other end of the age spectrum, we awarded \$29,850 in scholarships for Jewish overnight camps, ensuring that future generations can experience the richness of Jewish life and tradition.

Meanwhile, our Create a Jewish Legacy initiative, made possible through the Harold Grinspoon Foundation, completed its second year with over \$12 million in legacy commitments. *You can read more about this impactful program on page 13.*

**At the Jewish Foundation of Greater New Haven, we are honored to serve as a trusted resource and partner for synagogues, agencies, professional advisors, individual donors, families, foundations, and the broader community. Together, we are building a strong and vibrant Jewish future.**

# LEGACY OF DEDICATION: LISA STANGER RECEIVES LIFETIME ACHIEVEMENT AWARD

On October 30th, Lisa Stanger, the Executive Director of the Jewish Foundation of Greater New Haven, was honored with the prestigious Lifetime Achievement Award from the Towers Foundation during their annual meeting.

Lisa has a strong professional and academic background including a Masters of Social Work, a JD, and a Masters of Law in Taxation. Her educational background and expertise in charitable giving and philanthropy made her an ideal addition to the Jewish Foundation in 2005.

Immediately, she got to work. Lisa applied her legal and financial expertise to reshape the landscape of charitable giving by collaborating with donors and community organizations. Lisa's goal is always to increase support for a vibrant, secure Jewish community, by providing expert philanthropic advice and education to donors and professional advisors. Under her leadership, the Jewish Foundation's assets grew from \$18 million in 2005, to a remarkable \$80 million in 2024. Annual distributions have risen to over \$4 million to both Jewish and secular organizations in New Haven, Israel, and around the world.

Lisa's visionary leadership has driven several groundbreaking initiatives throughout her 19 years with the Jewish Foundation. One example is the Create a Jewish Legacy program, which she launched in this region, securing over \$21 million in legacy commitments for Jewish causes by partnering with synagogues and institutions, like The Towers at Tower Lane.

Jennifer Bayer, Vice President, Strategic Initiatives at The Towers at Tower Lane, shares her reflections on Lisa's impact. "The Towers has benefited tremendously over the years from Lisa's involvement and leadership. From helping to steward our 50th Anniversary Legacy Campaign, which nearly doubled the number of endowments for the benefit of The Towers, to helping us participate in The Harold Grinspoon Foundation, Create a Jewish Legacy Program for eight years. During the pandemic, The Maimonides Fund nearly doubled our private fundraising efforts to address immediate needs. Lisa's stewardship of the Elderly Grants Fund has helped us transform the outside of our campus and build our community garden. This year, The Towers received a \$96,000 grant which will help us establish a new Cognitive Day Program. So many of our new initiatives have Lisa's, the Jewish Foundation's, and her team's stamp on them. She is simply an amazing leader and also a community hero! We all stand on Lisa's shoulders."

"Each day, I'm inspired by the generosity and commitment of our community," Lisa said at the ceremony. "It is a true privilege to help people support the causes they care about and to be part of such a resilient, compassionate community."

The Lifetime Achievement Award honors Lisa's remarkable accomplishments and her dedication to nurturing Jewish values, building a foundation that will benefit future generations. Her commitment to philanthropy, community building, and empowering donors has made a significant impact. *Mazel Tov Lisa!*

# RESTORING HISTORY: THE FORGOTTEN JEWISH CEMETERY

Sol Rosenkranz was deeply committed to preserving the heritage of an abandoned Jewish cemetery in the small town of Krośniewice, central Poland. From the moment the cemetery was revitalized in 2014 until his passing in 2019, Sol devoted himself to honoring the memories of those buried there.

The cemetery holds a painful history. In 1939, the Nazis removed its headstones, and years of neglect during the post-war and Communist eras allowed the site to become overgrown, concealing countless Jewish graves beneath dense thickets.

In loving tribute to their father's legacy, Rita and Joel Rosenkranz established the Krośniewice Jewish Cemetery Fund in Memory of Sol Rosenkranz, in partnership with the Jewish Foundation of Greater New Haven. This Fund is dedicated to ensuring the cemetery's perpetual care and preservation.

"Sol's inaugural visit to the site was in 2013 with Rabbi Schudrich," Joel said. "The dedication ceremony took place in 2014, and more recent images highlight the grand entry gates and a memorial plaque, recounting the town's rich Jewish history. The photos vividly illustrate the pride and dedication Sol poured into the restoration of this cemetery."

The Fund's mission is to ensure the cemetery's ongoing upkeep and maintenance for generations to come. In addition to partnering with the Jewish Foundation of Greater New Haven, Rita and Joel have also collaborated with Friends of Jewish Heritage in Poland.

"We are committed to preserving Sol's dream of creating a dignified final resting place, an enduring tribute to his remarkable legacy," said Rita. "Our hope is that the sacred ground will remain a testament to Sol's enduring spirit and a symbol of remembrance for years to come."

## Donor-Designated Funds for Synagogues and Agencies

The Jewish Foundation partners with donors and organizations to create and grow endowment funds through current gifts, bequests, and other planned giving vehicles. We provide personalized reports, regular fund distributions, and ongoing stewardship, keeping donors and organizations engaged in philanthropy.

We also serve as a valuable resource for charitable giving policies, tax regulations, and endowment investment strategies, helping donors make informed decisions.

## Youth Philanthropy and Build a Tzedakah Funds

The Jewish Foundation administers the Build a Tzedakah program and its extension, My Very Own Tzedakah, designed to inspire young philanthropists. With an initial \$600 donation, often from Bar or Bat Mitzvah gifts, children and young adults can create their own charitable fund, which is matched with \$400 from a community donor. This empowers young individuals to make meaningful charitable decisions, starting with a \$1,000 fund that grows over time. *See page 10 for more information.*

## Scholarships

The Jewish Foundation provides scholarships for college, synagogue schools, Jewish overnight camps, and Israel programs. We are dedicated to helping Jewish youth deepen their connection to Jewish life and identity through education and meaningful experiences. *See pages 21-25 for more information.*

## Create a Jewish Legacy

Through the Create a Jewish Legacy Greater New Haven initiative, the Jewish Foundation assists local Jewish organizations and synagogues in building their endowments and securing legacy gifts. Supported by the Harold Grinspoon Foundation, the initiative provides training, resources, and incentive grants to ensure a lasting and vibrant Jewish future. *See pages 13-15 for more information.*

# STRENGTHENING OUR COMMUNITY THROUGH *TZEDAKAH* AND *TIKKUN OLAM*

Seymour Food2Kids receives The Great Give prize

The Jewish Foundation team volunteers at Downtown Evening Soup Kitchen (DESK)

At the Jewish Foundation of Greater New Haven, our work goes beyond scholarship funds, legacy building, grant making, and providing expert advice on tax-smart ways to give.

In Judaism, *tzedakah* is not merely charity—it is a moral obligation, a responsibility that sustains Jewish life and strengthens our community. Every donation, no matter the size, contributes to lasting change. Whether funding essential social services, supporting Jewish education, or ensuring the stability of vital community institutions, we recognize that *tikkun olam* teaches that each of us has a role to play in building a stronger, more compassionate world.

In May 2024, the Jewish Foundation of Greater New Haven partnered with The Community Foundation for Greater New Haven as a prize sponsor during The Great Give. To encourage generosity toward critical causes, we offered two prizes totaling \$3,600 dedicated to organizations addressing food insecurity and houselessness. Mazel tov to the Beth-El Center, which received the housing-focused award, and to Seymour Food 2 Kids, for its impact on alleviating food insecurity to local school-aged children.

As part of our hands-on commitment to *tikkun olam*, the Jewish Foundation staff participated in the Thanksgiving for All initiative, a collaborative effort led by Downtown Evening Soup Kitchen (DESK) and Interfaith Volunteer Care Givers of Greater New Haven (IVCG). This annual program mobilizes the community to prepare and distribute Thanksgiving meals to over 1,200 individuals and families.

Philanthropy is not only financial contributions—it is about connection, impact, responsibility, and engagement. As we look to the future, we remain committed to fostering a culture of generosity and *tikkun olam*—because together, we can create a stronger, more vibrant community for generations to come.

# STRENGTHENING PROFESSIONAL NETWORKS: THE 2024 PROFESSIONAL ADVISOR SERIES

In 2024, the Jewish Foundation of Greater New Haven proudly continued our Professional Advisor Series—a dynamic program designed to keep financial, legal, and tax professionals up to date on the latest in tax law, estate planning, and charitable giving strategies. Presented in collaboration with Green & Sklarz, LLC, and co-sponsored by The Community Foundation for Greater New Haven and the Valley Community Foundation, the series offered expert-led education and meaningful networking opportunities.

Sessions took place in June, July, and November, addressing timely topics such as IRS enforcement, year-end tax strategies, and the evolving landscape of charitable planning. Each seminar offered valuable continuing education credits and included an annual after-hours networking event, blending learning with connection and community.

By offering free, high-quality programming, the Jewish Foundation strengthens partnerships with local professionals, helping them better serve their clients while fostering a culture of thoughtful, strategic philanthropy. We're excited to grow this initiative in the years ahead.

# JEWISH FOUNDATION INTRODUCES MY VERY OWN TZEDAKAH

The Jewish Foundation's Build a Tzedakah Program has been a cornerstone of our community for over 20 years, providing more than \$106,000 in funding. This initiative has successfully engaged teens celebrating their Bar and Bat Mitzvahs while garnering incredible community support. To further enhance our commitment to youth philanthropy, we launched My Very Own Tzedakah.

My Very Own Tzedakah invites children and families to embark on a meaningful philanthropic journey with the Jewish Foundation of Greater New Haven. This expanded initiative aims to instill the spirit of giving in children from a young age, integrating philanthropy into their lives. Families can start a fund at any time, even before their child's Bar or Bat Mitzvah.

With My Very Own Tzedakah, parents, grandparents, guardians, family, and friends can create a personalized Tzedakah Fund (charitable fund) for the special child(ren) in their lives by contributing \$600. In addition, a generous community donor contributes another \$400, ensuring that your budding philanthropist's fund starts with an impressive total of \$1,000.

What sets this program apart is its ongoing nature. Contributions can be made by anyone—grandparents, parents, family, friends, and even the child—at any time, whether for birthdays, holidays, Bar/Bat Mitzvah celebrations, or other memorable occasions. This approach not only fosters a sense of responsibility, but also provides the opportunity for the fund to grow, empowering the child to make an even greater impact in the community.

# NEW HAVEN COMMUNITY CONTINUES TO UPLIFT ISRAEL

On October 7, 2023, Hamas launched a devastating attack on Israel, marking one of the darkest days in modern Jewish history. In response, the Jewish Federation of Greater New Haven swiftly launched an Israel Emergency Campaign, raising \$1.7 million as a part of a nationwide effort. The Jewish Foundation of Greater New Haven immediately mobilized, reaching out to donors and providing vital resources to support relief efforts.

The need for sustained relief remains urgent. Today, the Jewish Foundation and the Greater New Haven community continue to stand with Israel, ensuring that those affected receive ongoing support. Our community's efforts focus on long-term rebuilding, trauma recovery, and security enhancements for impacted communities.

One important security initiative that the Jewish Federation of Greater New Haven proudly helped to fund was the establishment of a regional Command Center in New Haven's sister city, Afula-Gilboa. Through our community's generosity, \$100,000 was raised to support this critical project, which is now fully operational and helping to protect 33 agricultural towns and villages bordering the West Bank. Given the security challenges the region has faced prior and since the events of October 7, this Command Center represents a vital step in strengthening the safety and resilience of our Israeli sister community.

The Command Center operates 24/7 and serves as a centralized hub for communication, surveillance, and emergency response. It connects local self-defense patrols with the IDF, Israel Police, and other security organizations, while also enhancing coordination between the communities in the region. Surveillance cameras, sensors, and improved communication tools are already making a difference on the ground. As a partner in this effort, the Greater New Haven Jewish community stands proudly with Afula-Gilboa, demonstrating the powerful impact of our shared commitment to safety, solidarity, and the Israeli people.

**As we move forward, the Jewish Foundation remains committed to standing by our brothers and sisters in Israel. The challenges persist, but so does our resolve. With the continued generosity of our community, we will provide the necessary support to help Israel rebuild, recover, and thrive.**

# PACE/LOJE FUNDS

## Ensuring Your Jewish Legacy with PACE and LOJE

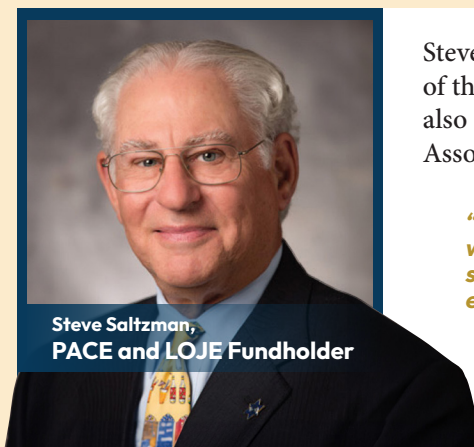

### What is the Annual Campaign for Jewish Needs?

The Jewish Foundation of Greater New Haven is a supporting organization of the The Jewish Federation of Greater New Haven. The Jewish Federation of Greater New Haven is there day in and day out, at every moment working to support and protect Jewish life. Through the Annual Campaign for Jewish Needs, the Jewish Federation and its partner agencies are able to protect our community, to enhance Jewish life, and to support Israel and Jewish communities around the globe.

We're there the moment a child enters Jewish pre-school and when they learn their first Hebrew song. We're there, on a college campus, when a young woman uses her voice to advocate against spreading antisemitism. We're there when a homebound senior receives a warm smile and a hot kosher meal. And we are also there providing the vital training and security measures that save lives the moment an active shooter threatens a synagogue or any other Jewish communal institution. Because of this sustained support, we are able to build a flourishing future, being there for all of life's most important moments today, tomorrow, and beyond.

### What if you could sustain Jewish life in Greater New Haven, in Israel, and around the world—forever?

By endowing your gift for the Annual Campaign for Jewish Needs through a Perpetual Annual Campaign Endowment (PACE) or a Lion of Judah Endowment (LOJE) Fund, you can ensure your support continues for generations to come.

Steve Saltzman,  
PACE and LOJE Fundholder

Steve Saltzman, a dedicated community member, understands the impact of these endowment funds. In addition to PACE and LOJE Funds, Steve also established Funds at the Jewish Foundation to support the Jewish Cemetery Association, ADL (Holocaust Education), and (DESK) Downtown Evening Soup Kitchen.

*"The LOJE Fund was my first endowment fund, established in honor of my late wife, Marilyn," he shares. "It was so meaningful to her that I wanted to make sure it was fully endowed. I set up the PACE Fund to make sure there was an endowment to cover my annual pledges, for the present and into perpetuity."*

*"This stems from being proud of my Jewish heritage and wanting to sustain it in whatever way I can... in this case, for my New Haven community that I've been in most of my life."*

### What is a PACE fund?

A PACE Fund is a permanent endowment that provides ongoing support for the Annual Campaign for Jewish Needs to the Jewish Federation of Greater New Haven. It ensures your commitment to the Jewish community continues in perpetuity.

### What is a LOJE fund?

A LOJE Fund is a PACE Fund established by a woman giving at the Lion of Judah level (\$5,000 giving level). It strengthens the Jewish community by providing essential resources to meet needs locally, in Israel, and around the world.

Your PACE or LOJE Fund will perpetuate your legacy, ensuring that vital programs—including Jewish education, camps, schools, elder care, and aid for those in need—continue to thrive. This year alone, PACE and LOJE Funds will contribute over \$600,000 to the Annual Campaign for Jewish Needs.

Establishing your Jewish legacy can happen during your lifetime through gifts of cash, stock, or retirement assets. You can also make a lifetime commitment through your estate, life insurance, or retirement plan.

**Total PACE & LOJE Funds in 2008 were \$1.2 million. Today, thanks to our generous community members, they are over \$17 million—all to secure a strong Jewish future here in Greater New Haven.**

# LEGACY SPOTLIGHT: PHIL PIVAWER z"l

## Remembering Phil Pivawer z"l Legacy Team Member and Donor Temple Emanuel

“Charitable contributions have always been part of our family DNA. When I sold my chemical business in 1997, my first wife, Barbara, and I each set up a trust that would provide income for the surviving spouse, while allowing the principal to grow. Upon my death, a portion of the principal will go to a group of charities. Since Temple Emanuel was a major part of our lives, it will be a major beneficiary of our trusts.

When I talk to members as part of the legacy committee, I, of course, encourage them to make a charitable commitment to Temple Emanuel in their estate. I recognize that many members have large families and want to provide for their children and grandchildren, but I feel strongly that every family should leave some part of their estate to charity, if not Temple Emanuel then to some other organization that has had an influence on their life, be it a university, an arts organization, a medical organization, a nature organization, or a food bank. This is a way that all of us can give back something to the society which we have all benefited from.”

# LEGACY SPOTLIGHT: STUART KATZ

## Stuart Katz Created a Legacy for Camp Laurelwood

"I have been part of the Camp Laurelwood family since 1968, when I started in Bunk 1 at 7 years old. Eight years as a camper, seven years as a staff member, about 30 years on the Board of Directors, and then running the Alumni Association and serving as the camp archivist has shown me the immense value that Camp Laurelwood provides to campers and staff alike.

Almost all of my closest friends went to Laurelwood. I developed my career interest through activities I did at Laurelwood, like running the camp radio station in the mid-1970s.

And, I met my wife at an event hosted by a friend from camp. So it means a lot to me to be able to support Camp Laurelwood in the future with a legacy gift."

# GRANT FUNDS

## The Maimonides and Devorah Funds

The Maimonides and Devorah Funds at the Jewish Foundation provide essential, anonymous financial assistance for emergencies and medical needs, as requested by our rabbis, Jewish Family Service, and other referring agencies.

Established to embody the teachings of Rabbi Moshe Ben Maimon (Maimonides), these Funds adhere to the principle of *matan b'seter*, which emphasizes the highest form of charity—giving anonymously. In this approach, the benefactor remains unaware of the recipient, and the recipient has no knowledge of the donor.

## Women of Vision Society Endowment Fund

Founded in 1996, the Women of Vision Society at the Jewish Foundation established a permanent, restricted endowment fund dedicated to enhancing the quality of life for future generations of Jewish women and their families in Greater New Haven, Israel, and beyond.

This society was formed by a group of 100 women, each contributing a minimum of \$1,000 to create the original endowment. Since 1998, annual grants have been awarded from this Fund. In 2002, the Women of Vision Society Too was launched, allowing more members of the community to join and contribute.

Each year, the Women of Vision Grants Committee allocates funds from the Women of Vision Society endowment. Since its inception, over \$256,000 has been awarded to programs and projects that address the needs and concerns of Jewish women.

## Professional Development Grants

Through the Judith A. Kaye Fund for Teachers in Jewish Education and the Community Education Funds, the Jewish Foundation proudly offers professional development grants for Jewish educators.

These grants enable classroom educators in local Jewish schools to attend workshops and conferences aimed to enhance their teaching skills. Additionally, they support local Jewish organizations in providing educational opportunities for instructors and the wider community.

Eligible applicants must be either a) classroom educators employed in Jewish education at a local Jewish school or synagogue, or b) a local Jewish school or synagogue itself. Eligible programs must be hosted by a recognized Jewish institution or a reputable educational organization.

## Security Grants Initiative

Since 2019, over \$1.3 million in security grants has been awarded to 30 synagogues, Chabad centers, schools, and camps, enhancing the safety and security of our Jewish community. These grants are made possible thanks to the Arthur Eder Family Fund, in memory of Arthur and Yvette Eder.

Applications for 2025 are being accepted on a rolling basis until 11/15/25. This will be an annual process until the fund is exhausted.

Yesod (Hebrew for Foundation) is a dynamic, curriculum-based program designed to cultivate the next generation of volunteer leaders in Greater New Haven. Focused on strengthening the community, the program invests in individuals who have demonstrated leadership potential and a commitment to the Jewish community. Participants seek leadership experience and a desire to deepen their skills and understanding of effective leadership.

Developed by the Florence Melton School of Adult Jewish Learning and authored by Dr. Erica Brown, the curriculum covers a broad range of subjects, including Jewish texts, leadership theory, business acumen, and hands-on application.

This interactive program equips participants with the knowledge and tools to enhance their leadership abilities. The New Haven cohort consisted of 20 dedicated individuals who were passionate about making a lasting impact and emerged as strategic partners in building a stronger community.

Thanks to the WOV Grant, Yesod members have already begun putting their leadership training into action. Several participants are now leading key initiatives—including chairing the Butterfly Project and the JEWEL Society for PJ Library—and will soon serve on the allocations committee and Federation board.

## GAP YEAR ISRAEL EXPERIENCE SCHOLARSHIP RECIPIENT: NILI CHETRIT

"I want to thank the Jewish Foundation and the Henry and Helene Kasha Fund for this opportunity during my gap year to not only integrate myself and learn more about Israeli society and culture, but also the opportunity to learn and master Hebrew. Throughout my gap year, I will be volunteering with an organization called "Garin Oded." The central mission of "Garin Oded" is to guide and accompany children and youth groups, manage relationships with educational entities in the community, manage trips and events, facilitate teamwork and volunteering in the various volunteering tracks, and more. I will work in peripheral areas and be based out of Kibbutz Regavim. During my time, I will contribute to implementing youth sector goals, promoting democratic and Zionist values, and fostering innovation within northern Israel. This gap year represents a profound opportunity to give back to a community dear to my heart while laying a strong foundation for my future. I am confident that my time in Israel will not only enable me to make a significant impact on local communities but will also prepare me to represent the Jewish and Israeli perspectives on my college campus."

# GIVING TIPS

## IRA CHARITABLE ROLLOVER

The IRA charitable rollover creates an opportunity for donors to establish an endowment or make an outright charitable gift to a charitable organization. Your rollover can be directed for a capital campaign gift or current needs, or restricted for endowment purposes.

Your gift can be earmarked for your synagogue, a local Jewish agency, Jewish education, or any program or organization that is important to you. In addition, if you have a secondary, smaller IRA that is not a necessary income source, this is an opportunity to donate that IRA to our community and make a significant and much-needed impact.

## 12 THINGS TO KNOW ABOUT THE IRA CHARITABLE ROLLOVER

- 1 The distribution from your IRA must be made directly to the charitable organization.
- 2 You must be 70½ or older at the time that the distribution is made.
- 3 The IRA charitable rollover opportunity is permanent; you can do it this year and every year.
- 4 The maximum amount that can qualify is \$108,000 (for 2025).
- 5 The IRA charitable rollover will satisfy your required minimum distribution.
- 6 You can roll over more than your required minimum distribution in addition to your required minimum distribution (up to \$100,000 to charity).
- 7 The amount of the IRA charitable rollover does not need to be reported as income on your federal or Connecticut income tax return.
- 8 Only distributions from traditional and Roth IRAs qualify.
- 9 To qualify, the distribution can only be for charitable purposes and cannot be designated for a donor-advised fund, supporting organization, or private foundation.
- 10 Thanks to the 2022 Omnibus Bill, a one-time qualified IRA charitable distribution of \$50,000 is permitted for a charitable gift annuity or charitable trust.
- 11 No goods or services can be received in exchange for the distribution (e.g., tickets or dinner).
- 12 In most cases, you will need to contact your IRA plan administrator/financial institution.

# STOCK GIVING

## Donating Long-Term Appreciated Securities Can Provide Additional Tax Benefits

When you donate long-term appreciated securities, you can claim a charitable income tax deduction for the fair market value of the securities on the date of transfer, no matter what you originally paid for them. You pay no capital gains tax on the transfer.

Donating the stock results in no capitals gains tax being paid, a larger itemized deduction, and more money for the charity of your choice. That's a win-win!

## IF THE SECURITIES HAVE APPRECIATED

If the securities originally cost \$2,000 and now have a fair market value of \$10,000, you do not pay tax on the \$8,000 gain. You may, however, claim a charitable income tax deduction for the full \$10,000.

## IF THE SECURITIES HAVE DEPRECIATED

In this case, it is usually better to sell first. By doing so, you can take the capital loss for tax purposes and then donate the cash.

	Gift of \$10,000 cash	Gift of \$10,000 stock
Initial cost basis of securities/appreciation	N/A	\$2,000/\$8,000
Capital gains tax saved or paid (assumes 20% rate)	N/A	\$1,600
Personal income tax savings (0.35 x amount donated)	\$3,500	\$3,500
<b>Net tax savings</b>	<b>\$3,500</b>	<b>\$5,100</b>

This example assumes 35% tax bracket, a cost basis of \$2,000, that the investment has been held for more than a year, and that all realized gains are subject to a 20% long-term capital gains tax rate. This does not take into account any state or local taxes.

You can reach out to the Foundation with any questions about charitable tax planning at 203-210-1118.

## CONSIDER BUNCHING!

If you do not itemize deductions, consider bunching your donations instead.

When you bunch donations of stock to a donor-advised fund, your itemized deductions can go beyond the current standard deduction amounts for 2025 (\$15,000 for individuals; \$30,000 for joint filers).

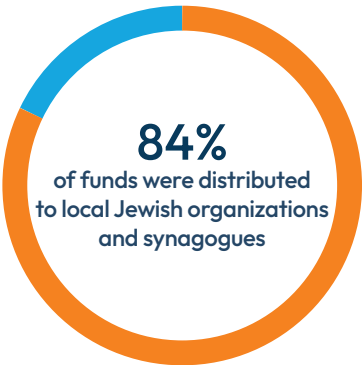

By doing so, you can claim a charitable income deduction this year, and then distribute the monies to the charities of your choice over several years.

# INVESTMENT AND MANAGEMENT

For the fiscal year ending December 31, 2024, the Jewish Foundation's managed portfolio had a one-year rate of return of 9.0%, a three-year rate of return of 1.2%, and a seven-year rate of return of 9.6%.

In January 2017, following an extensive request for proposal (RFP) process by the Foundation's Investment Committee, the Jewish Foundation's board of trustees engaged SCS Financial to serve as the new investment advisor for the Jewish Foundation. One of the goals of engaging SCS was to combine both tactical and strategic advising to ensure ongoing, proactive, and timely portfolio strategy implementation within the Investment Policy Statement established by the Investment Committee, accompanied by excellent manager selection, asset allocation strategy, and sophisticated portfolio exposures.

The Jewish Foundation's Investment Committee, in consultation with the outside independent investment advisor, established an allocation strategy and long-term outlook for the investment and management of the Foundation's endowment funds that will target a total return (income plus capital change) that will preserve and enhance (in real dollar terms) the principal value of the funds and provide a dependable source of support for current operations and programs. The Foundation's long-term approach to endowment spending has sought to maintain and grow each endowment fund while providing the beneficiary organization with consistent distributions.

## ASSET ALLOCATION

The Foundation has continued to maintain a conservatively positioned portfolio, which is well-diversified, constantly monitored, and strategically rebalanced.

## SPENDING POLICY

Each year, the board of trustees of the Jewish Foundation approves a prudent spending policy that is applied to all unrestricted funds as well as Foundation-owned restricted funds. The spending policy is developed in consultation with our investment advisor, as well as the Foundation's Finance and Investment Committees.

In making its decision for 2024, the board followed the Uniform Prudent Management of Institutional Funds Act and approved a spending policy that takes into account the uses, benefits, purposes, and duration of the endowment. The current spending policy is 4.0% of a fund's average fair market value for the rolling prior 16 quarters.

# PHILANTHROPIC AND DONOR-ADVISED FUNDS

For individuals and families seeking active involvement in philanthropy, a philanthropic fund (also called a donor-advised fund) allows the donor to create a named fund that provides flexibility in charitable giving. These funds allow the donor to recommend distributions to any qualified tax-exempt organization—think of it as a charitable checking account. The Jewish Foundation administers the fund, vets grantees, and invests the assets.

This is a wonderful way to involve the family in giving—the donor and their family can decide which charitable organization they want to support. These funds can be established with a minimum gift of \$10,000.

## FIELD OF INTEREST/DONOR-ADVISED FUNDS
