GIFTS OF STOCK

DONATING LONG-TERM APPRECIATED SECURITIES CAN PROVIDE ADDITIONAL TAX BENEFITS

• When you donate long-term appreciated securities, you can claim a charitable income tax deduction for the fair market value of the securities on the date of transfer, no matter what you originally paid for them.
• You pay no capital gains tax on the transfer.

For example, if the securities originally cost $2,000 and now have a fair market value of $10,000, you do not pay tax on the $8,000 gain and you may claim a charitable income tax deduction for $10,000.
